- 50mm
- 65mm
- 80mm
- 80mm SBS-PF
- 100mm

Easy Installation

Suitable for all types of screeding and trowelling machines.

INSTALLATION INSTRUCTIONS:

1

CUT THE PIPES 5MM BELOW FFL BEFORE INSTALLING DAMP PROOF MEMBRANE.

2

AFTER MESH IS INSTALLED, FIT SCREED BUDDYS AND SECURE TO PIPE WITH TAPE OR CABLE TIE.

3

ALWAYS CHECK PIPE HEIGHTS BEFORE YOU POUR CONCRETE AND SCREED OVER.

Suitable for Domestic, Commercial and Industrial applications.
